 REQUESTED**

AS AMENDED ON PAGE 6

29 Plaintiff, NuLeaf Naturals, LLC, and Defendants Jushi NV, Inc., NuLeaf Incline
 30 Dispensary, LLC, Nuleaf CLV Dispensary, LLC and NuLeaf Clark Dispensary, LLC (collectively
 31 “Defendants”), by and through their respective counsel, hereby submit the following Stipulated
 32 Proposed Discovery Plan and Scheduling Order pursuant to Fed. R. Civ. P. 26(f) and Local Rule
 33 (“LR”) 26-1.

SEmenza Rickard Law
 10161 Park Run Drive, Suite 150
 Las Vegas, Nevada 89145
 Telephone: (702) 835-6803

1 1. **Request for Special Scheduling.** The parties jointly request special scheduling be
2 permitted to accommodate their respective schedules and conflicts with other case schedules. The
3 proposed dates are not substantially longer than the regular schedule set forth in the LR 26-1 and
4 the extended time would not prejudice either side. The parties also propose modification of the
5 timelines for expert disclosures and depositions for the reasons discussed below.

6 2. **Procedural History.** Plaintiff filed its Complaint for an Injunction for Trademark
7 Infringement on November 7, 2024 (Doc. 1). Defendants first appeared in this matter by the parties'
8 filing of a Stipulation and Order to Extend Deadline to Respond to Plaintiff's Complaint for an
9 Injunction for Trademark Infringement on December 2, 2024 (Doc 13). The Defendants filed their
10 Answer and Counterclaims on January 3, 2025. The Plaintiff/Counterclaim Defendant filed its
11 Answer to the Counterclaim on January 28, 2025. The Defendants filed their Amended Answer
12 and Counterclaims on February 18, 2025.

13 3. **Federal Rule of Civil Procedure 26(f) Meeting.** Pursuant to Federal Rule of Civil
14 Procedure 26(f), on February 6, 2025, Counsel for Plaintiff, J. Mark Smith and Counsel for
15 Defendants, Jonathan Lagarenne and Kevin Sutehall, participated in a Rule 26(f) Conference.

16 4. **Statement of Claims and Defenses/Subjects on Which Discovery May Be
17 Needed.**

18 a. **Plaintiff:** Plaintiff has asserted a claim of trademark infringement and seeks an
19 injunction prohibiting the Defendants from using a confusingly similar
20 trademark "NuLeaf" in its name. Plaintiff has a Federal trademark registration
21 and also common law rights in the Name "NuLeaf Naturals". The Defendants
22 have asserted a counterclaim to cancel the Plaintiff's registration alleging that
23 the Plaintiff obtained the registration based on fraud in the application. The
24 Plaintiff/Counterclaim Defendant has denied that it acted in any fraudulent
25 manner and the registration was properly issued. The Plaintiff/Counterclaim
26 Defendant has sold lawful goods under the subject mark. Plaintiff asserts that
27 discovery will be needed on these claims and defenses.

b. **Defendants:** Plaintiff has asserted a claim of federal trademark infringement based on the registration of its trademark “NuLeaf Naturals” and seeks an injunction prohibiting the Defendants from using the term “NuLeaf” in its name. The Defendants seek to cancel the Plaintiff’s registration, alleging that the Plaintiff obtained the registration based on misrepresentations of lawful use in commerce. Defendants also have state and common law rights in the use of the “NuLeaf” in connection with the sale of THC containing products, pre-dating Plaintiff’s alleged first use of its trademark in commerce, and Defendants use of Nuleaf is limited to this prior use for which no federal trademarks are allowed under Federal Law. Defendants will shortly file an amended answer asserting these state law counterclaims. Defendants assert that discovery will be needed on these claims and defenses.

5. Discovery Limitations.

- a. The parties do not have any agreements to conduct informal discovery.
 - b. The parties do not anticipate extensive discovery. The parties propose utilizing a unified exhibit numbering system. The parties will continue to work together to try to reduce discovery and other litigation costs as the case proceeds.
 - c. The parties have agreed that each side may serve up to twenty-five (25) Interrogatories, fifty (50) Requests for Production, and twenty-five (25) Requests for Admission with the understanding that either side can request an amendment to these limitations.
 - d. The parties have agreed to be limited to four (4) fact witness depositions per side, two (2) expert witnesses per side, and one (1) 30(b)(6) deposition per side. Each deposition shall be limited to seven (7) hours.
 - e. The parties agree that upon showing of need, they can individually or jointly seek Court intervention requesting to amend these discovery limitations.

6. **Initial Disclosures.** The parties have agreed to exchange initial disclosures on or February 28, 2025, eight days later than the presumptive 14-day period pursuant to F.R.C.P.

1 26(a)(1)(C). The parties do not propose any other changes to the timing, form, or requirement for
2 disclosures pursuant to F.R.C.P. 26(a).

3 **7. Discovery Cut-Off Date.** The fact discovery cut-off deadline shall be **Wednesday,**
4 **August 6, 2025**, six months after the Rule 26(f) Conference. This deadline provides approximately
5 35 additional days for discovery from the presumptive deadline pursuant to LR 26-1(1) based on
6 the date of the Defendants' first answer in light of the complexity of the parties' disputes. The
7 expert discovery cut-off deadline is **Monday, October 6, 2025**, eight months after the Rule 26(f)
8 Conference. The parties seek special scheduling review concerning expert discovery because the
9 factual aspect of the case, as developed during the fact discovery, will necessarily need to be
10 complete, or nearly so, for the experts review before their reports are provided. The extra 2 months
11 for expert discovery will accommodate the orderly development and discovery of the experts
12 opinions based upon the fully developed factual record and avoid any potential revisions or do-
13 overs due to any facts developed later during the fact discovery.

14 **8. Amending the Pleadings and Adding Parties.** The deadline to amend the
15 pleadings and add parties is **Thursday, May 8, 2025**, 90 days before the close of fact discovery.

16 **9. Fed. R. Civ. P. 26(a)(2) Disclosures (Experts).** The deadline to disclose experts is
17 **Monday, July 7, 2025**, five months after the Rule 26(f) Conference. Rebuttal expert disclosures
18 shall be due by August 6, 2025, **30 days** after initial designation. As noted above, the parties request
19 two months after the disclosure of rebuttal expert reports to perform expert depositions.

20 **10. Dispositive Motions.** The deadline for dispositive motions is **Monday, December**
21 **8, 2025**, ten months after the Rule 26(f) Conference.

22 **11. Pretrial Order.** The deadline to file a pretrial order is **Wednesday, January 7,**
23 **2026**, 30 days after the dispositive motion deadline. This deadline will be suspended until 30 days
24 after decision on the dispositive motions or further Court order if dispositive motions are filed
25 pursuant to LR 26-1(b)(5).

26 **12. Fed. R. Civ. P. 26(a)(3) Disclosures.** Federal Rules of Civil Procedure 26(a)(3),
27 and any objections thereto, shall be included in the joint pretrial order in accordance with LR 26-
28 1(b)(6).

1 **13. Whether Discovery Should be Conducted in Phases or Limited or Focused on**
2 **Particular Issues.** The parties do not believe discovery should be conducted in phases or limited
3 or focused on particular issues.

4 **14. Issues About Disclosure, Discovery, or Preservation of Electronically Stored**
5 **Information.** The parties do not anticipate that discovery will entail voluminous electronic
6 discovery. The parties agree to preserve electronically stored information and intend to produce
7 such materials in PDF format unless otherwise stipulated.

8 **15. Issues About Claims of Privilege or Protection of Work Product, Including if**
9 **the Parties Agree on a Procedure to Assert These Claims After Production.** The parties do not
10 anticipate any unique issues about claims of privilege or protection of work product and do not
11 request any procedure to assert such claims after production. The parties request that the Court
12 enter and adopt a suitable protective order, to be submitted, protecting confidential and proprietary
13 information as well as preserving privilege claims for inadvertently produced documents or data.
14 pursuant to FRE 502.

15 **16. Any Other Orders That the Court Should Issue Under F.R.C.P. 26(c) or**
16 **F.R.C.P. 16(b) or (c).** None.

17 **17. Alternative Dispute Resolution.** The parties certify that they met and conferred
18 about the possibility of using alternative dispute-resolution processes including mediation,
19 arbitration, and if applicable, early neutral evaluation.

20 **18. Alternative Forms of Case Disposition.** The parties hereby certify that they
21 considered consent to trial by a magistrate judge under 28 U.S.C. § 636(c) and Federal Rules of
22 Civil Procedure 73 and the use of the Short Trial Program. At this time, the parties do not consent
23 to trial by the magistrate judge or to the use of the Court's Short Trial Program.

15 **ORDER**

16 The Court grants in part and denies in part the parties' stipulated discovery plan because the
 17 Court declines to bifurcate discovery into fact and expert discovery. The Court appreciates that
 trademark suits may be highly technical, but is nonetheless not inclined to bifurcate discovery in
 18 this manner. In the Court's experience, bifurcating discovery leads to disputes over what
 discovery is properly qualified as "fact" or "expert" discovery. Additionally, the parties may set
 19 internal deadlines that are not monitored by the Court to ensure that they complete their fact-
 based discovery before proceeding with expert discovery. However, the Court will grant the
 20 parties' request for an additional two months after rebuttal expert disclosures to perform expert
 21 depositions.

22 **IT IS THEREFORE ORDERED** that the parties' stipulated discovery plan is **GRANTED IN**
PART AND DENIED IN PART. It is denied in part regarding the parties' proposed discovery
 23 deadlines, as outlined below. It is granted in all other respects.

24 **IT IS FURTHER ORDERED** that the below deadlines shall govern discovery:

25 Amend pleadings/add parties:	May 8, 2025
Expert disclosures:	June 9, 2025
Rebuttal expert disclosures:	July 9, 2025
Close of discovery:	September 8, 2025
Dispositive motions:	October 8, 2025
Joint pretrial order:	November 7, 2025
